

Dear Richmond Rocket Alumni;

Did you know that on July 26th, 2009 at Oyen, Alberta the Richmond Rockets captured the League Championship Trophy with a 6-4 victory over the heavily favored, undefeated Oyen Eagles? Another trivia blast from the past is that the Richmond Rockets are the only team in the legendary Sask-Alta Baseball League to field a team since the league started in 1951. The Richmond Rockets captured league honors in 1952, 1953, 1954, 1955 and 1959 but it was to be exactly 50 years until this honoured trophy would come home to where the league began under the helm of Les Benjamin.

You would need to publish a book when it comes to all the great things baseball has meant to Richmond.

Time has moved very quickly since 1951 and the Richmond Baseball Club along with the Richmond Lions Club have decided that it is now time to come together under the Richmond Rocket Banner that so many of us have played under over the past 59 years. We will celebrate the past up until the present at the event we are calling "Richmond Rocket Reunion 2010".

The date is the weekend of June 18-19, 2010 at Richmond, Saskatchewan.

Itinerary

Friday, June 18, 2010

Sask-Alta League Baseball game evening 6:30PM

Saturday, June 19, 2010
