

VILLAGE OF RICHMOUND

Sewer Policy #1-2023

Adopted by Council on June 12, 2023

Amended by Council on August 14, 2023

Sewer Line Maintenance

To provide a guideline for staff regarding sewer line maintenance. This policy is subject to any other agreement or resolution of Council.

1. That Section 25(2) of The Municipalities Act provides the following:

As a term of supplying the public utility service to the parcel of land, the council may make the owner of the parcel of land responsible for the costs of the construction, maintenance, repair and replacement of the portion of the service connection from the main line of the system or works to the boundary of the street, road or easement.

And Section 25(3) The Municipalities Act provides as follows:

If the council acts pursuant to subsection (2), the costs mentioned in that subsection are an amount owing to the municipality by the owner of the parcel of land.

2. The property owner shall hire a certified contractor to complete work on his/her property.

4. The Village shall pay the costs of cleaning the sewer main line (8" line).

5. The property owner shall pay the costs of cleaning or unplugging the sewer connection to the sewer main.

6. If manhole access is required, the Village of Richmond must be contacted so a member of Council or waterworks employee can be present.
